INDIA CHIC

A room with superb views of the Taj Mahal at sunset; a tree-lined verandah in the forest of Matheran, two hours

from Mumbai; your own luxurious spice boat cruising the backwaters of Kerala; and the tranquillity of the Shreyas retreat and spa amid rice fields near Bangalore. These are some of the beautiful places in India Chic, the newest in the Chic Guide series (Kuperard, £16.95).

Authors Inderjit Badhwar and Susan Leong travel the sub-continent to reveal 47 properties – hotels, palaces, beaches, spas, retreats, havelis and temples – that combine beauty and real

Indian style. Others in the series include Bali, South Africa, Mexico, Morocco, Shanghai and Thailand.
